

Themes

The first step in organizing the Smart Idea Challenge 2023 was selecting relevant themes aligned with the SIH guidelines. After consultation with faculty members and industry experts, the following themes were chosen:

1. Smart Education
2. Med Tech / BioTech and Health Tech
3. Disaster Management
4. Agriculture, food tech and rural development
5. Smart Automation
6. Robotics and drones/ Smart vehicle
7. Clean and green energy/ Renewable Energy
8. Fitness and Sports
9. Block Chain & Cyber Security
10. Mobile Apps related to Culture & History
