

IICHe RVR&JCCE STUDENT CHAPTER
DEPARTMENT OF CHEMICAL ENGINEERING
R.V.R. & J.C. COLLEGE OF ENGINEERING(A)

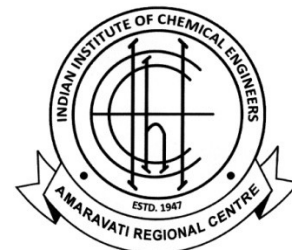

Accredited by NBA and NAAC with 'A+' Grade

CHOWDAVARAM :: GUNTUR-522 019

In Association with IICHe - ARC

A National Level

CHEMICAL ENGINEERING STUDENT MEET :: ChECK-2024
INNOVATIVE TECHNOLOGIES IN CHEMICAL ENGINEERING
16th February, 2024

Patrons:

Dr. R. Srinivas

President, RVR&JC CE

Sri R.Gopala Krishna

Secretary & Correspondent,
RVR&JC CE

Dr. K. Krishna Prasad

Treasurer, RVR&JC CE

Sri. J. Murali Mohan

Managing Director, Jocil Ltd.,
Chairman, IICHe-ARC

Dr. Kolla Srinivas

Principal, RVR&JC CE

Dr. V. Govardhana Rao

Former Prof. IIT,
Immediate Past Chairman, IICHe-ARC

Advisory Members

Dr. M. Venkateswara Rao

Former Prof. in Chemical Engineering &
Dean, Exams, RVR&JC CE
Honorary Secretary, IICHe-ARC

Dr. C. V. Subrahmanyam

Prof. & Head, Dept. of Chemical Engg.

Convener & Treasurer

Dr. K. Ramesh Chandra

Assoc. Professor, Dept. of Chemical Engg.

Members

Dr. D.N.V. Satyanarayana

Dr. P. Rohini Kumar

Dr. K. Sobha

Smt. J. Lakshmi Jayanthi

Sri K. Siva Prasada Rao

Dr. G. Kavitha

Student Member

Mr. P. Somanath

Ms. P. Navya Sri

Rc.No. R&J/ChE/ChECK/2024/

25-01-2024

Dear Sir/Madam,

We are immensely delighted to bring to your kind notice that the IICHe RVR&JCCE student chapter, Department of Chemical Engineering in association with IICHe- Amaravati Regional Centre, is organizing a National Level Chemical Engineering Student Meet **ChECK-2024** on **16th February, 2024** on the theme **INNOVATIVE TECHNOLOGIES IN CHEMICAL ENGINEERING**. It has been the tradition of the IICHe Student Chapter to conduct the Chemical Engineering Contest for Knockout (ChECK) since 1999. It provides the platform for the Chemical & Allied Engineering students to interact, learn and expose themselves to the diversified fields of Chemical Engineering. This will make the student fraternity to get more confidence to meet the requirements of the industry.

As part of the above Programme, Plenary lectures and competitions will be conducted in Technical Paper Presentation, Group Discussion and Elocution for Diploma & UG students. We are herewith enclosing the brochure & Poster providing the details of the student meet. This platform would provide an exposure to the students on the latest developments in the field of Chemical Engineering.

I request you to kindly display the brochure enclosed at predominant places of your College / Institute and give it a wide publicity so that the young minds will be inspired to participate in the meet. I would appreciate if you could sponsor the students of Chemical Engineering, Biotechnology, Petroleum and Petrochemical Engineering and Allied Disciplines to participate in the above Programme.

We look forward to your encouragement and support in making the meet a grand success.

Yours faithfully,

(Dr. C. V. Subrahmanyam)
HOD, Dept. of Chem. Engineering
