Dear Mohana Deepika Dhulipalla,

Congratulations! It is my pleasure to inform you that you have been admitted into the Information Technology, Master of Science program in the College of Education, Criminal Justice, and Human Services for Fall 2019.

In order to accept or decline admission, you will need to complete the confirmation form now available on your status page.

International students must document financial support for all years of study to be issued a "Certificate of Eligibility" (F-20 or DS-2019) for a student visa. The total worth of financial award you may get *can be counted* as a source of financial support in the "Financial Certification Form" as funds from the University of Cincinnati. For information such as how to obtain an I-20, estimated expenses, and financial certification forms please go to:

<http://www.uc.edu/international/services.html>.

Please consider that a prompt return of your documents is *imperative* to ensure that all documents required to process your visa application are present. Note that the visa application process can often take 90 days or more to complete.

Here are some important conditions for your admission. They include:

1. Verification of your completed degree(s) by official transcript sent directly from your past institutions to: The Graduate School, The University of Cincinnati, P.O. Box 210627, Cincinnati, OH 45221-0627. Official transcript should be received by The Graduate School prior to the start of your graduate degree program.
2. Attendance at Student Orientations, Tests and/or other Training, for which you will receive additional information separately.

The Information Technology, Master of Science program may have additional requirements and deadlines for your admission. Please direct any questions or concerns to your program of study. Any questions or concerns about the "Financial Certification Form" should be directed to UC International Services.

About Your GRE® Score Report

Score Reporting Policies

With the *ScoreSelect*® option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration
- All option – Send your scores from all administrations in the last five years
- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.
- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

TEST TAKER SCORE REPORT

Note: This report is not valid for transmission of scores to an institution.

Retaking a GRE Test

You can take the GRE® General Test once every 21 days, up to five times within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and GRE® Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

For More Information

For information about interpreting your scores, see *Interpreting Your GRE Scores* at www.ets.org/gre/understand.

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

If you have any questions concerning your score report, email GRE Services at gre-info@ets.org or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).
