Y10 BATCH:

All the courses of the batch admitted in **2010-11 (Y10 batch)** were reviewed. There are some courses, which were not attained the target levels like Engineering Mechanics, Engineering Mathematics, Basic Thermo Dynamics, Applied Thermo Dynamics, Casting Forming and Metal Working Process, Computer Aided Design. It is proposed to apply innovative teaching methodologies by solving more no.of problems in the class and giving Home Assignments.

Y11 BATCH:

All the courses of the batch admitted in **2011-12 (Y11 batch)** were reviewed. There are some courses, which were not attained. It is proposed to apply innovative teaching methodologies by solving more no.of programmes, problems and use of modern tools for content delivery.

Y12 BATCH:

All the courses of the batch admitted in **2012-13 (Y12 batch)** were reviewed. There are some courses, which were not attained the target levels like Mathematics-I, Engineering Chemistry, Mathematics-II, Mathematics-III. It is proposed to solve more and more problems, giving Home Assignments & repeating the explanations until it reaches the slow learners.

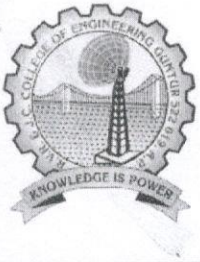

Y13 BATCH:

All the courses of I-I, I-II for the batch admitted in **2013-14 (Y13 batch)** were reviewed and found that all the target levels were achieved.

AGENDA:

1. To review the attainments of POs & PSOs for the courses in the 2nd Semester of First, Second, Third & Fourth Year(s) of A.Y 2016-17.
2. To review the academic activities of the department during the academic year 2017-18.
3. Any other item with the permission of the chair.

MINUTES:

1. The committee reviewed the course outcomes of different courses of the department and also the attainment of program outcomes & programme specific outcomes for the batches admitted in 2014-15, 2015-16, 2016-17 during the academic year 2017-18 (after completion of 2nd semester).

The majority of the courses achieved the target attainment level which reflects the effective functioning of the new outcome based system.

Y14 BATCH:

For the batch admitted in **2014-15 (Y14 batch)**, **IV-II** were reviewed. There are some courses, which were not attained the target levels. For that it is proposed to apply innovative teaching methodologies by using screening PPT & Video Lectures, to understand and visualize the actual systems.

Y15 BATCH:

For the batch admitted in **2015-16 (Y15 batch)** **III-II** were reviewed. There are some courses, which were not attained. With regard to this, by giving more emphasis on concepts and by giving more exercises, it can be overcome.

Y16 BATCH:

For the batch admitted in **2016-17 (Y16 batch) II-II** were reviewed. There are some courses, which were not attained the target levels. With regard to those Subjects, more number of problems have to be solved by the concerned teachers and encourage the students to solve difficult problems in Home Assignment Tests.

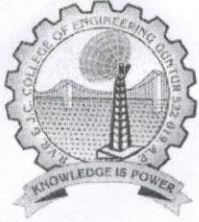

Y17 BATCH:

For the batch admitted in **2017-18 (Y14 batch) I-II** were reviewed and observed that all the courses were attained the targets.

The minutes of the Department Programme Assessment Committee [PAC] during the academic year 2017-18 was reviewed and expressed their satisfaction on Second Semester results:

- Guest Lectures conducted
- Industrial Visits
- FDP Programmes attended
- Seminars organized by the department
- Publications
- Guest Lectures delivered by the faculty
- Conferences attended
