Established in 1985, Rayapati Venkata Ranga Rao & Jagarlamudi Chandramouli College of Engineering, Guntur is the 'Jewel in the Crown' of Nagarjuna Education Society, which took upon itself the responsibility of enriching the society through promotion of education, literature and culture. The premier status of the institution is made possible by sticking to our core-principles of student-focus, Human Resource Development and emphasis on total quality.

The institute's humanitarian policy, balances professional as well as ethical values by setting a secured and friendly environment to the differently abled individuals, conveying that people with disabilities are not objects of charity but have the same rights and dignity like any other individuals.

It is proactive, in providing equal opportunities to the disabled, for both access and accommodation at the institute. It sets an environment that the disabled persons feel the right to equal access to education, freedom from torture and the right to live with peers in the academic community.
