In this context, we have tried our level best to secreted the financial assistance from the likes of Auto Mobile outlets in and around Guntur & Vijayawada, Big Industrialists, but of no avail. Hence, our students, who are interested to built-up the vehicle have secreted an amount of Rs.3,70,000/- (Rupees Three Lakh Seventy Thousand Only). The estimated vehicle cost comes to Rs.4,75,000/- (Rupees Four Lakh Seventy Five Thousand Only). Still, we have to procure Li-ion Battery. The Cost of Li-ion Battery is Rs.96,000/- (Rupees Ninety Six Thousand Only), out of which, we have already paid Rs.66,000/- (Rupees Sixty Six Thousand Only) as advance. Due to shortage of amount in our hands, we couldn't make the payment of remaining amount of Rs.30,000/-.

In this regard, we request you to kindly sanction an amount of Rs.30,000/- for procurement of Li-ion Battery.
