ACM Student Chapter-HOUR OF CODE EVENT(2019)

Introduction:

On the occasion of “Hour of Code” conducted by ACM organisation an event was organised at SRI VENKATESWARA BALA KUTEER by student members and faculty members of ACM Student Chapter named as **THE FORERUNNERS** - RVR & JC College of Engineering for 8th and 9th class students.

The event was commenced by the arrival of several students that included both English medium (Ushodaya English Medium School) and Telugu medium (Nandana Grameena High School) which are part of SRI VENKATESWARA BALA KUTEER. This event consists of 5 sub events that are based on current trending technologies and Basics of Computers which are briefly described below. At the end our principal Dr. K. SRINIVASU and Head of Computer Science Department Dr. M. SREELATHA had addressed the children and presented the prizes to students who actively participated in various events and guided them with their inspirational words and motivated them to do better. This is an opportunity to upskill children about the use of growing technologies in their daily life.

Venue: SRI VENKATESWARA BALA KUTEER

Timings: 10:00 AM to 3:00 PM

Date: 12-12-2019

We conducted six events preceded by a Pre-assessment test to know the current level of the students in computer fundamentals, and top 3 were awarded with prizes and certificates.

Five events are as follows:

- 6. Computer Fundamentals
- 7. Desktop Applications

8. Building Personal Profile: Demo
9. Augmented Reality(AR):Demo
10. Activity

Computer Fundamentals:

In this event we taught students about Computer Basics. Points covered in this event are

- Hardware-Basics, Components and their uses
- Keyboard shortcuts
- Programming languages and their uses (C,C++)
- Latest technologies usage and examples
- Careers in Computer

4. Hardware-Basics, Components and their uses

We explained about the hardware basics by exemplifying some hardware components.

Team members:

- T CHANDRIKA(5820082)
- N SRIVIDYA(0269532)
- K YAMINI(7001015)
- N MARY SARITHA(4075978)

5. Keyboard shortcuts

In this event we taught students about various keyboard shortcuts. Points covered in this event are

- Evolution of Keyboard
- Keyboard types
- Keyboard shortcuts

Team members:

- K POOJITHA(0799373)
- K NIKHITHA(6169423)
- CH KHYATHI(7067180)

6. Programming languages and their uses (C, C++)

In this event we taught students about different programming languages with real world applications. Points covered in this events are

- History of programming languages
- Uses of programming languages

Team members:

- N ALEKHYA(4878760)
- M BINDU MADHAVI(2910809)

7. Latest technologies usage and examples

In this event we educated students with emerging technologies. Points covered in this event are

- Internet of Things
- Artificial Intelligence
- Cloud Computing

Team members

- Y SRI HARSHITHA(2855355)
- S LAKSHMI MADHURI(3457084)
- P AMRUTHA SAI(3021439)
- L SAHITHI(4689465)

8. Careers in Computer

In this event we taught students about various opportunities in computer science.

Team Members

- R GNANANJALI(9168523)
- A Y SAI NIHARIKA(3623893)

Desktop Applications:

In this event we taught students about some new applications and how to develop simple applications. Points covered in this event are

1. Calculator
2. WORD, EXCEL
3. PPT
4. Paint 3D

1. Calculator

In this we taught students about how to build customized calculators.

Team members

- D MANYU TEJA(5506079)
- D ESWARR(0851748)
- CH SUDHEER KUMAR(3593185)

2. Word, Excel

In this we taught students about some advanced concepts in Word, Excel.

Team members

- G SAIDEEP(2782011)
- K GANESH(2428602)

3. Power point

In this we taught students about some advanced concepts in Power point.

Team member

- D SUBHSAYA(1230922)

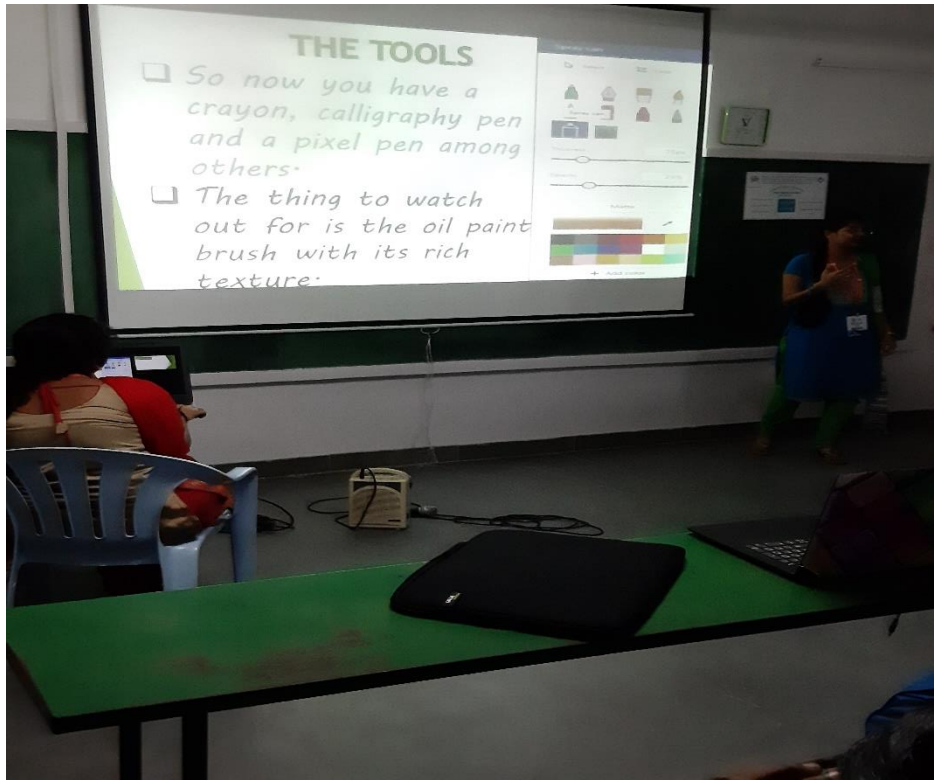

3. Paint 3D

In this we taught students about 3-dimensional models in Paint 3D using Paint 3D software. Points covered in this event are:

- Demonstrating paint 3D tool
- Creating 3D figures

Team members

- G VARSHA(3684621)
- D HARIKA(0004885)
- G MANASA(5557284)
- CH LAKSHMI DURGA(8758852)

Building Personal Profile

In this event we taught students about how to design basic forms and how to fill them. Points covered in this event are:

- Online Registration form
- Personal details form
- Payment form
- Login form

Team members

- K MAHESWARI(1993923)
- N SHAMITHA(9503245)
- M S CHRISTIE(2744702)

Augmented Reality(AR)

In this we created awareness about Augmented Reality to students. The points covered in this event are:

- How Augmented Reality works
- Applications of Augmented Reality
- Movie Graphics
- Augmented Reality Demonstrations
- Augmented Reality Emoji

Team members

- K NIKHILESH(3095126)
- K BALARAM(2125299)

Activity

In this we made students to segregate software and hardware components. Points covered in this events are:

1. Game on Hardware and software components
2. Personal Assistants

1. Hardware and software game

An interactive game is designed for students where each person should pick up one slip and identify whether it is hardware or software component.

Team members

- SK MADHIRE RIYAZ(4333194)
- N NARESH(1779621)
- M HEMANTH KUMAR(9533897)

2. Personal Assistants

In this we taught students about what is personal assistant and various kinds of personal assistants. Points covered in this event are:

- Demonstrating Personal assistants
- Live demo (Alexa, Siri, google home)

Team members

- B TAPASWI REDDY(6384268)
- S ANNAPURNA(0076682)
- R YAGNA(3566195)
- V NEHALIKA(8392347)

Feedback

At the end we have taken feedback from the students in the form of barcodes where each barcode represents ratings and some students enthusiastically came forward and gave the feedback about the session and explained briefly about what they have learnt.

QUIZ

To the end we have conducted post assessment test on the overall event and top 3 were awarded with prizes and certificates.

PRIZE DISTRIBUTION

Students who actively participated in various events were awarded with certificates and prizes.
